Visit "[Dirty Priest](#)" on MotoLyrics.com

A rotten unclean spirit deep inside a host to the
depraved
Grime embrace the thoughts
Beyond the goodness of this world appears a
deformed grotesque
To hell it takes the soul

Try to take away the darkness psalms are read to make
it vanish
Evil forces now are in this soulless fucking body
P o s s e s s i o n
Kiss the cross the priest is chanting fuck your god the
demon whisper
I will make this body see the suicide temptation

An unclean spirit dwells deep in this heart
It kills the dirty priest of evil cause
God's man lies soakt in blood he'll never live
The blade is pointed right there between ribs

[Solo: Karlsson]

Unearthly will
A covenant with darkness eyes are starring black o so
cold so dead
The knife is hacking holes into the stinking flesh of the
dirty priest so
Die
Suffer the demonic possession
Blasphemy has cleansed him it's time to cut the head
of the pig the priest
A lunatic of evil no remorse when he kills himself no
tears just kill

[Solo: Bryssling]

[Solo: Karlsson]

Shadows cover the filthy body he's soul now rests in
gore
Demons takes the whore
The reverend seemes to be possessed reborn unpurely

spawn
To a wicked force unknown

An unclean spirit dwells deep in this heart
It kills the dirty priest of evil cause
God's man lies soaked in blood there is no life
The stabs within his chest cuts from a knife

Tried to take away the darkness psalms were read to
make it vanish
Evil forces now possess this soulless fucking body
P o s s e s s i o n
Kiss the cross the priest was chanting fuck your god
the demon whispered
I have made this body see the suicide liberation
