The birth of the child was observed to provide a spirit
unknown with a body

The mind it was damaged to shreds ripped apart but
the flesh of the spawned one was captured

From beyond, terminal, evil is born, plucked from god,
without stop

-the rites of possession begun

Now awake, not of life, born in hate, sent to feed,
demon horns

-the omen's been shown

With age it grew on pain it feed at last it was fertile to
spread it's

Offspring

The soul got sick in never seen ways uncontrolled by
the illspiritual rage

A craft was brought to split the visions

Crawling naked on the floor, exorcist fled for the
door,

Tried to outrun the unclean whore

Possession in a wicked way, unholy powers drained the
rests of it in pain

Followed the abomination

The light that was did disappear, it vanished into the
thin air,

A dirty atmosphere

Possession in a wicked way, unholy powers drained the
fucking soul in pain

The soul ripped to pieces - Evil Demon

The senses won't escape it - Evil Demon

Hateful obsession - Evil Demon

Spawn of Possession - Evil Demon

[Solo: Karlsson]

The frenzy will got twisted and dim

The muscles stopped obey the force, the mind shutted
out the speaking

Voice,

He felt a change and got a choice
Possession in a wicked way, unholy powers drained the
rests of it in pain
A sudden life flash altered the course
He couldn't stand the pain no more, the shotgun end
went down his throat,
One trigger pull would have end the mourn
Possession in a wicked way, unholy powers drain the
fucking soul in pain

It didn't get messy they got to him first against his will
strapped in a jacket
Thrown in a cell and declared as insane wacked
through the calming injections

From beyond, terminal, evil is born, plucked from god,
without stop
-the rites of possession begun
Now awake, not of life, born in hate, sent to feed,
demon horns
-the omen's been shown

No cure was found and the question remained what
would cause this insistent aggression
For the one that is born through the darkness impure -
Spawn of Possession

The soul ripped to pieces - Evil Demon
The senses can't escape it - Evil Demon
Hateful obsession - Evil Demon
Spawn of Possession - Evil Demon
