Awakened - an area sealed from human thoughts
Possessed and entangled - slept incarcerated
In this cell the horror has grown
Falling - the fog clears out the stairs stained in rest
Ones light he carried - now it breeds in darkness
Crucifixion a gutter a corpse

Hospital halls the silence lies white and obscured
Artwork shaped of christ beheaded and despised
Done to fulfill a masterpiece pleasures the lord

Stalking the dark but white is the sheet that devour
Topic is to kill ordered out by will no drops was spilled
Continual murder began by hate it enters this world

Confession of the straws was abhorrent still symbolic
Trinity church of enlightenment suffers weakly
Bringer of the scissors been abhiched to settle the
score
Blood for the one cuts the silence void is broken
Sentimental weeps doesn't cure the inner visions
Causing the failure of sinners burning shadows
Rip and cut and mutilated the artistry is perfect
Carving the palm made by insects Gemini signing

Demonic laughs echoes through the halls
Polluting the complex - all the living creatures
Tools to obtain maximal effect
Demon - paralyzes collection of jars
Blood for the legion doctrinized by silence
Medical expertise is the key of the forbidden

[Solo: Karlsson]

Slashing up a body unto empty it's intestines
Rosary filling the gutted nurse was pleading
Paint affect the viewer of the blackened face of jesus
Severed from body the scissors works out propably
Catatonic homicide unleashed to spread the madness
Raping the humans then vanish into nothing
Voices from beyond is leading feeble man conviction
I am no one many insect save your servant

Hospital halls the silence lies white and obscured
Artwork shaped of christ beheaded and despised
Done to fulfill a masterpiece pleasures the lord

Stalking the dark but white is the sheet that devour
Topic is to kill ordered out by will no drops was spilled
Continual murder began by hate it enters this world

Confession of the straws was abhorrent still symbolic
Trinity church of enlightenment suffers weakly
Bringer of the scissors been abhiched to settle the
score
There's only one but of silence void is broken
Catatonic homicide unleashed to spread the madness
Raping the humans then vanish into nothing
Voices from beyond is leading feeble man conviction
I am no one many insect save your servant
