Watch out your mummy's eyes
Better make up good lies
Sneak away from home
It's time for the sunshine drive.
Don't care about your money
Don't care about your honey
Boys are in a queue
It's time for the Sunshine Drive.
First stop - frozen tequila
Second stop - Melbourne Bitter
Third stop - cowboy cocksucker
Oh yeah
Gabba gabba hey Kat, get right
It's time for the sunshine drive
Hey Lucy, get spazzy
It's time for the sunshine drive.
Hey Ally, don't worry
It's time for the sunshine drive
We're the Spazzys and we're ready, let's go to the
sunshine drive
