Walk down into where there's nothing  
Left for you  
Work till your burnt down to the bone  
Will you talk shit when you think no one is listening  
Think your alone, then you meet me

Cause i am the  
Invisible man  
Welcome to my machine  
Cause i am the  
Invisible man  
Welcome to my master plan

Cause i am the  
Invisible man  
Welcome to my machine  
Cause i am the  
Invisible man  
And i'm gonna make you bleed

Stand your ground before you become sub human  
Sink or swim form out of the shit your living in  
Your head can you hear the voices screaming no more  
No more, i'll take my stand

Cause i am the  
Invisible man  
Welcome to my machine  
Cause i am the  
Invisible man  
Welcome to my master plan

Cause i am the  
Invisible man  
Welcome to my machine  
Cause i am the  
Invisible man  
Welcome to my master plan

I am the invinsible man, i am the invinsible man  
I am the invinsible man, i am the invinsible man
