

Spear Of Longinus "Blood Soil"

Visit "[Blood Soil](#)" on MotoLyrics.com

Riding through the sands of time
The matter of anti-matter
Blood soil
Blood soil
Blood soil

Fight, fight, fight
The demon of reality
Watch, watch, watch
The dance of Horus

In the war with anti-matter
It took me so long...

To realise

In the world of the Antichrist
Why did it take me so long...

To understand?

Make love
Make War
Take life
Make life- the dance of cosmos
How it sway and turn
Fall with the gods
