I'd Give Anything To Frame This Moment
Just Before The Morning Light
As I Lie Here With My Soul On Fire
Loving You Last Night

But Nothing Ever Last Forever
I Know You Gotta Leave
But There's A Way To Stay Together
Til You Come Back Home To Me
Baby Would You Please

Carry My Kisses With You
And Bury Them Deep Within Your Heart
As Long As We're Apart

Carry My Kisses With You
And Take Them Wherever You May Go
Baby I Need To Know
You'll Carry My Kisses

Stand Beside Me In The Mirror
Let Me Brush Your Hair
Burn That Picture In Your Memory
Take It Everywhere

Cause Nothing's Gonna Come Between Us
As Long As We Agree
That Every Kiss Is Like A Promise
Binding You And Me
Baby Please

Carry My Kisses With You
And Bury Them Deep Within Your Heart
As Long As We're Apart

Carry My Kisses With You
And Take Them Wherever You May Go
Baby I Need To Know
You'll Carry My Kisses

Carry My Kisses With You
And Bury Them Deep Within Your Heart

As Long As We're Apart

Carry My Kisses With You
And Take Them Wherever You May Go
Baby I Need To Know
You'll Carry My Kisses

Carry My Kisses
