Don't wanna' be a part of society
Don't wanna' waste my life away
I don't need no learned politics
'Cause I live from day to day in a...

Violent Society!
Is this the way it's meant to be?
Violent Society!
A brighter future I can't see.

I'm told I shouldn't shout my mouth off
I'm told to watch just what I say
"...But what kind of life is this?" I say
If I can't live it my own way in a...

Violent Society!
Is this the way it's meant to be?
Violent Society!
A brighter future I can't see.
