So you're the girl
I heard the rumor
You got the boys wrapped around your finger
Such a sweet heartbreaker
If you're the game, I wanna be a player
Oh, you can do whatever you want
It's alright with me

Why don't you break my heart
Make it hurt so bad
Come on give it your best
Nothing less, I insist,
come on, and just like that
Why don't you break my heart
It sounds good to me
Do it over again, again, again
You're just what I need

Why don't you break my heart
Yeah, break it

Stare me down, intimidate me
Baby please you'll never break me
Bring it on, cause I can take it
You're so cool, the way you play it
Oh, you can do whatever you like
It's alright with me

Why don't you break my heart

Make it hurt so bad
Come on give it your best
Nothing less, I insist,
Come on, and just like that (just like that)
Why don't you break my heart (heart, yeah)
It sounds good to me
Do it over again, again, again
You're just what I need (yeah)
