sometimes, its hard to see  
what's been there all along  
sometimes, i'm sure of everything till we find out that  
we're all wrong  
now we're standing here  
face to face  
nothing feels the same  
for the first time,  
i realised  
something i didn't see before  
for the first time,  
looking in your eyes  
suddenly there's so much more  
something we both feel inside for the first time  
how did we  
ever end up here  
i don't know  
but it feel so right  
the last thing  
i ever expected  
is happening with you and i  
there's something real  
i can't explain  
oohhh....

and nothing feels the same  
for the first time,  
i realised  
something i didn't see before  
for the first time ,  
looking in your eyes  
suddenly there's so much more  
something we both feel inside  
for the first time  
i can't find the words  
for how i feel about you  
just wanna be around you now  
i never imagine  
oohh yeah ..  
that someone could make me feel the way you do...  
for the first time,  
looking in your eyes

suddenly there's so much more  
something we both feel inside  
for the first time  
oooooooo....  
for the first ... time ...
