Blinded from birth, blinded for life, blinded by choice
Throwing up, falling down...blind

Wickedness spreads and rages like fire
Nothing can save me too late now

Sweating, shaking, sickly, i'm turning gray

Time is passing before my eyes, my face is lined and
swollen
Suffocating, no way out, trapped by desire, i am
possessed

I don't give a fuck anymore
I don't give a fuck anymore
I'm numb

Wickedness spreads and rages like fire
Nothing can save me, too late now

I want to fucking die
