Open the door, let me out
You know what i'm after
It's in your eyes, your so afraid i'll find what i'm looking
for
My time's at hand, my stomache's in knots, i know what
you're thinking
No holding back, this the real thing, get ready today's
the day

I got a feeling, a raging hell
I got a feeling welled up inside

Lung's burning red, i'm turning blue
I find it hard to breathe here
This night is young, these feelings black
The walls are closing in
So alive, sensations high, my skin begins to crawl
Un-lock the gate, un-leash this hate
Let's find what i'm looking for

I got a feeling, a raging hell
I got a feeling, welled up inside

This feeling is what i crave
This feeling is what i am
This feeling is what crave

This feeling is what i am
A raging hell, welled up inside
