When you've opened these doors
They can never be closed
When you've walked down that road
And you know where it goes
When you've been with the best
Nothing compares
?get sad over this?
When you've been where I've been
And you won't return
When you've seen what I've seen
The tables have turned
And you've cried all these tears
River runs dry
All out of tears
I can't turn back
Getting out of here
I'm not like that
That's just how I feel
I'm still not sure
What you came here for
Can't turn back, oh no
Like a favourite book
When you turnin' a page
Like an innocent look
?
Like a walk in the sun
Can turn into rain
No need to run
I can't turn back
Gettin out of here
I'm not like that
I'm still not sure
What you came here for
Can't turn back, oh no
Out of sight out of mind
Feelin' like im so close to drownin
Left behind just in time to make it on my own
Out of sight out of mind
Feelin' like im so close to drownin, oh no
I can't turn back
Gettin out of here
Im not like that

That's just how i feel
Im still not sure
What you came here for
Can't turn back, oh no
Out of sight out of mind
Feelin' like im so close to drownin
Left behind just in time to make it on my own
Out of sight out of mind
Feelin' like im so close to drownin, oh no
Can't turn back
Gettin out of here
Not like that
That's just how i feel
Still not sure
What you came here for
Can't turn back, oh no
Can't turn back, oh no
