I feel like I've been locked up tight,
For a century of lonely night,,
Waiting for someone to release me,
You're licking your lips,
And blowing kisses my way,
But that don't mean I'm gonna give it away,
Baby, baby, baby (Baby, baby, baby).
Ooooh (my body's sayin' let's go),
Ooooh (But my heart is saying no).

CHORUS

If you wanna be with me,
Baby there's a price to pay,
I'm a genie in a bottle,
Gott rub me the right way.
If you wana be with me
I can make your wish come true,
You gotta make a big impression,
Gotta like what you do.
I'm a genie in a bottle baby,
You gotta rub me the right way honey,
I'm a genie in a bottle baby,
Come, come, come on and let me out!
The music's fading,
The lights down low,
Just one more dance,
And then were good to go,
Waiting for someone who needs.
Hormones racing at the speed of light,
But that don't mean it's gotta be tonight,
Baby, baby, baby (Baby, baby, baby),
Ooooh (My body's saying lets go),
Ooooh (But my heart is saying no).

CHORUS

If you wanna be with me,
Baby there's a price to pay,
I'm a genie in a bottle,
You gotta rub me the right way,
If you wanna be with me,
I an make your wish come true,
Just come and set me free baby,
And I'll be with you,
I'm a genie in a botle baby,

You gotta rub me the right way honey,
I'm a genie in a bottle baby,
Come, come come on and let me out,
Come on and let me out,
Come on and let me out.

CHORUS

If you wanna be with me,
Baby there's a price to pay,
I'm a genie in a bottle baby
You gotta rub me the right way,
If you wanna be with me,
Baby there's a price to pay,
I'm a genie in a bottle,
You gotta rub me the right way.
I'm a genie in a bottle baby,
Come, come, come on and let me out.
