"In And Out"

I can't find my direction,
And I can't see any way out,
So we return, I never learn,
When I see my reflection,
I just can't help wondering why,
Why I return to crash and burn.

CHORUS 1:

In and out of love I can't control,
I'm so confused, why do I want you,
On and on and on,
I can't let go although I want to,
I don't wanna be the kinda girl,
Who's falling in and out of love.

You're the sweetest addiction,
Even though it's the sickest condition,
I don't care, It's something we share,
Everybody thought we were over,
And now here we are getting older,
Why should we care, they stop and stare.

CHORUS 2:

In and out of love I can't control,
I'm so confused, why should I want you,
Had about enough, I won't let go,
Although I want to,
I don't want to be the kinda girl,
Who's falling in and out of love

We're falling in and out of love (x3)

(CHORUS 2)
