Say you love me like you used to,
Tell me that you really care,
'Coz if you don't I think I'll lose it,
Start smashing things up everywhere.

Close your ears, close your eyes,
This could be tthe last suprise.

CHORUS

'Coz I don't wanna be left here all alone,
Don't wanna be left here on my own,
Don't wanna be left here all alone,
Don't wanna be, oh no.
I don't wanna be left her all alone,
Don't wanna be left to die,
Just give me one last suprise.

I won't let you live without me,
And I won't let you see me cry.

Maybe lose, maybe lie,
This could be the last suprise.

CHORUS

I need you, I need you, I need you.

CHORUS
