I dream of sleep but you keep me awake,  
I don't think I'm in control of it,  
I'd do anything to get it back,  
But you never listen anyway,  
I shoot from the lip, find things to say,  
Anything that hurts so you react,  
But ooh oh ooh.

Take a look at my look at my look at myself,  
Feels like I'm screaming at somebody else,  
Oh I wish you'd just hear me out sometimes.

CHORUS

Why don't you ever talk to me,  
I'm waiting here impatiently,  
I try but I'm against a wall of glass,  
My tears that drop like bombs explode,  
My words they fall, land nowhere though,  
It feels like were going nowhere fast.

I think how could it be so good before,  
Is it somethin' about me doesn't fit anymore,  
Coz all I see is broken oh!

Take a look at my look at my look at myself,  
Feels like I'm screaming at somebody else,  
Oh I wish you'd just hear me out sometimes.

CHORUS

Oh we're going nowhere, got no speed at all,  
Oh don't you wanna go somewhere, somewhere.

CHORUS (x2)
