I'm a shot in the dark
Try to aim for my heart
But you'll miss

You knew from the start
I ain't no walk in the park
Yes you did

You can call in the guards
Tell 'em to aim for my heart
But they'll miss

You say you go hard, huh
Well I ain't feelin it

I'm wanted dead or alive
Cuz there's a price tag on my life
No one's gonna take my heart from me
No one's gonna take my heart from me
Looks like I'm wanted dead or alive
I'm wanted D.O.A.

The X marks the spot
And the target's my heart
Try to hit

You reshuffle the cards
But I still come out on top
This is it

An undercover cop
But you revealed who you are
Yes you did, oh

You say you go hard, huh
But I'm not feelin it, oh
