# "Keep On Running"

Keep on runnin', keep on hidin'
One fine day I'm gonna be the one
To make you understand
Oh yeah, I'm gonna be your man

Keep on runnin', runnin' from my arms
One fine day I'm gonna be the one
To make you understand
Oh yeah, I'm gonna be your man

Hey, hey, hey, everyone is talkin' about me
It makes me feel so bad
Hey, hey, hey, everyone is laughing at me
It makes me feel so sad

So keep on runnin'
Hey hey, all right

Keep on runnin', runnin' from my arms
One fine day I'm gonna be the one
To make you understand
Oh yeah, I'm gonna be your man

Hey, hey, hey, everyone is talkin' about me
It makes me feel so sad
Hey hey hey, everyone is laughin' at me
It makes me feel so bad

Keep on runnin', runnin' from my arms
One fine day I'm gonna be the one
To make you understand
Oh yeah, I'm gonna be your man
