I know a girl called Linda she's my hearts desire
This little girl called Linda sets my heart afire,
Sets my heart afire
Uh-oh, can't you see you've got me in a whirl
It's as plain as it can be that you're my only girl
Please stay with me Linda don't ever leave me alone
'cause I don't want to lose you I want you for my own,
I want you for my own
Break:
Uh-oh, can't you see, you've got me in a whirl
It's as plain as it can be that you're my only girl
Please stay with me Linda don't ever leave me alone
'cause I don't want to lose you I want you for my own,
I want you for my own
