When I held you close in my arms last night
I held you baby and I squeezed you tight
You whispered, "honey your the one for me"
I'm fallin' in love and it's - plain to see
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
Well, I'm in love with you and yeah, yeah, baby
Say you love me too, your drivin' me crazy
Set my heart afire - my, I'm doin' flips
You burn me up with love so--kiss me quick
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
Yeah
Break:
When I kissed you baby and I knew right then
I was a fallin' in love again
You make the chills run up my spine
When you call me sweetie and your lips touch mine
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
Well, I'm in love with you an' yeah, yeah, baby
Say you love me too, your drivin' me crazy
Set my heart afire - my I'm doin' flips
You burn me up with love so--kiss me quick
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
Let's go
Break:
Well, I'm in love with you an' yeah, yeah, baby
Say you love me too, your drivin' me crazy
You set my heart afire - my, I'm doin' flips
You burn me up with love so--kiss me quick
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
You made a hit, yeah-yeah,
This is it, ooh-whee,
I'm in love with you
