Looking for that one time
When i was satisfied
Only to discover
It was never really there

Escape is no option
I don't want to run or hide
Or recover my place in nowhere

Sometimes I'd like to slow down
But I don't know how
So I fast-forward
And just enjoy the view
'cause I'm all I've got man
I guess it could be worse
I could be dead
Or I could be you

Chorus:
So get up
And get on to the other side
Get up
Where the good guys always win
Get up
I got a ticket enjoy the ride
Get up
Get up and get me in

So what's the definition
Of a "piece of mind"
And does it matter
When no one really cares
'cause nothing's very easy
I know it never was
Maybe I'll change
When I'm over there

Chorus:
So get up
Get me on to the other side
Get up
Where the good guys always win

Get up
I got a ticket enjoy the ride
Get up and get me in
