Feeling wierd and all out of touch
Never really cared or thought too much
About what's gonna happen an hour from now
Or a week-month-year - Fuck it anyhow
'cause I'm weird, man - I'm a strange man
And that's quite alright - I've gotten used to it

To hell with you anyway - I'm not sorry
Cause I got better ways - to spend my time

You're so sure and self-obsessed
So arrogant you believe your own press
And you honestly think that I do too
Guess what punk - I got news for you
You're wrong man - you are a wrong mad man
Don't act so surprised
You're wrong man

Fuck your opinion - I'm not sorry
Do everyone a favour - get out of town

Chorus:
And I'll never be sorry again
Cause you expect me to
And I'll never be sorry again
For something else I would never do
And I'll never be sorry again
If that's what you want
And I'll never be sorry again

Never forgive and never forget
And if you think I will, that's a losing bet
You're a window I can see right through
You think I can't but I see you
I see you - I know you
Believe what you want but I see you

Chorus:
And I'll never be sorry again
Cause you expect me to
And I'll never be sorry again
For something else I would never do

And I'll never be sorry again
If that's what you want
And I'll never be sorry again
