I keep calling on You
To help me get through
I can't do it alone
And Your love makes me strong

Our relationship
Is one I won't quit
You are a dear friend
I'll stay with till the end

CHORUS:
With You step by step
I find peace of mind
Each step's a new start
Toward all I strive for with my heart
I'll move on ahead
With faith in myself
'Cause I love the Lord
And I can't stand hell

Each day is anew
But I don't have a clue
What tomorrow will bring
So in my heart I sing
Won't You keep me safe
Just in case
There's cause for alarm
And someone tries to do me harm

CHORUS

Now this song I pray
Each and every day
So I don't end up
Down a lost highway

I feel safe and secure
Knowing You're there for sure
Of that I have no doubt
So I sing out loud

CHORUS

Yeah, I love the Lord step by step
