Wannabe

Yo, I'll tell you what I want, what I really really want,  
So tell me what you want, what you really really want,  
I'll tell you what I want, what I really really want,  
So tell me what you want, what you really really want,  
I wanna, I wanna, I wanna, I wanna, I wanna really  
really really wanna zigzag ha.

If you want my future forget my past,  
If you wanna get with me better make it fast,  
Now don't go wasting my precious time,  
Get your act together we could be just fine

I'll tell you what I want, what I really really want,  
So tell me what you want, what you really really want,  
I wanna, I wanna, I wanna, I wanna, I wanna really  
really really wanna zigzag ha.

If you wanna be my lover, you gotta get with my  
friends,  
Make it last forever friendship never ends,  
If you wanna be my lover, you have got to give,  
Taking is too easy, but that's the way it is.

What do you think about that now you know how I feel,  
Say you can handle my love are you for real,  
I won't be hasty, I'll give you a try  
If you really bug me then I'll say goodbye.

Yo I'll tell you what I want, what I really really want,  
So tell me what you want, what you really really want,  
I wanna, I wanna, I wanna, I wanna, I wanna really  
really really wanna zigzag ha.

If you wanna be my lover, you gotta get with my  
friends,  
Make it last forever friendship never ends,  
If you wanna be my lover, you have got to give,  
Taking is too easy, but that's the way it is.

So here's a story from A to Z, you wanna get with me

you gotta listen carefully,  
We got Em in the place who likes it in your face,  
we got G like MC who likes it on an  
Easy V doesn't come for free, she's a real lady,  
and as for me you'll see,  
Slam your body down and wind it all around  
Slam your body down and wind it all around.

If you wanna be my lover, you gotta get with my  
friends,  
Make it last forever friendship never ends,  
If you wanna be my lover, you have got to give,  
Taking is too easy, but that's the way it is.

If you wanna be my lover, you gotta, you gotta, you  
gotta,  
you gotta, you gotta, slam, slam, slam, slam  
Slam your body down and wind it all around.  
Slam your body down and wind it all around.  
Slam your body down and wind it all around.  
Slam your body down zigzag ah  
If you wanna be my lover.

Say You'll Be There

Say you'll be there  
I'm giving you everything all that joy  
can bring this I swear

Last time that we had this conversation  
I decided we should be friends  
Yeah,  
but now we're going round in circles,  
tell me will this deja vu never end? Oh  
Now you tell me that you've fallen in love,  
well I never ever thought that would be  
This time you gotta take it easy  
throwing far too much emotions at me  
But any fool can see they're falling,  
I gotta make you understand

I'm giving you everything all that joy can bring this I  
swear  
(I give you everything)  
And all that I want from you is a promise you will be  
there  
Say you will be there (Say you will be there)  
Won't you sing it with me

If you, put two and two together  
you will see what our friendship is for (Oh)  
If you can't work this equation then  
I guess I'll have to show you the door  
There is no need to say you love me,  
It would be better left unsaid

I'm (I'm) giving you everything (I give you everything)  
all that joy can bring this I swear (yes I swear)  
and (and) all that I want from you (all I want from you)  
is a promise  
(is a promise) you will be there  
Yeah, I want you

Any fool can see they're falling,  
gotta make you understand

I'll give you everything on this I swear  
Just promise you'll always be there  
I'm giving you everything (I m giving you everything)  
all that joy (all that joy can bring) can bring this I  
swear (yes I swear)  
and all that I want from you (all that I want from you) is  
a promise  
(I want you to promise you'll) you  
will be there (always be there)

I'm giving you everything (I m giving you everything)  
all that joy (all that joy can bring) can bring this I swear  
(yes I swear)  
and all that I want from you (all that I want from you) is  
a promise  
(I want you to promise you'll)  
you will be there (always be there)

## 2 Become 1

Candle light and soul forever  
a dream of you and me together,  
Say you believe it, say you believe it,  
Free your mind of doubt and danger,  
be for real don't be a stranger,  
We can achieve it, we can achieve it  
Come a little bit closer baby, get it on, get it on,  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya baby)  
I had a little love, now I'm back for more

(wanna make love to ya baby)  
Set your spirit free, it's the only way to be

Silly games that you were playing,  
empty words we both were saying,  
Let's work it out boy, let's work it out boy,  
Any deal that we endeavour,  
Boys and girls feel good together,  
Take it or leave it, take it or leave it

Are you as good as I remember baby,  
get it on, get it on,  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya baby)  
I had a little love, now I'm back for more  
(wanna make love to ya baby)  
Set your spirit free, it's the only way to be

Be a little wiser baby, put it on, put it on,  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya baby)  
I had a little love, now I'm back for more  
(wanna make love to ya baby)  
I need some love like I never needed love before  
(wanna make love to ya baby)  
I had a little love, now I'm back for more  
(wanna make love to ya baby)  
Set your spirit free, it's the only way to be

it's the only way to be  
it's the only way to be

### Love Thing

You know I don't wanna know, don't wanna know about  
that love thing,  
Give me what I'm needing, you know what I'm  
dreaming of,  
Don't wanna know about love thing

Been broken hearted before, but that's the last time it  
happens to me,  
I keep on giving still you're asking for more,  
Too much emotion baby, why can't you see,  
I'm not afraid of your love (I'm not afraid of your love)

why can't you see I've had my share of that  
You're what I want boy,  
You know you got boy,  
You gotta want me,  
It's just what I need,  
I'm not that easy as a matter of fact,  
There's no room for lovin' stop that push and shovin'  
yeah,  
Don't wanna know about that love thing,  
Give me what I'm needing you know what I'm dreaming  
of,

Don't wanna know about that love thing, (here we go,  
here we go)

Now don't go wasting my time,  
you're not the only thing I've got on my mind,  
My friends are with me when you ain't been around,  
Your precious words and promises ain't bringin' me  
down,  
I've got some living to do, don't assume I'm gonna be  
with you,  
You gotta want boy,  
You know you got boy,  
You gotta want me,  
It's just what I need,  
I'm not that easy as a matter of fact,  
There's no room for lovin' stop that push and shovin'  
yeah,  
Give me what I'm needing, you know what I'm  
dreaming of,  
Don't wanna know about that love thing,

Stop pushing,  
You're rushing,  
You're losing my lovin',  
I hope it,  
I see it,  
Just play it,  
You feel it,  
Gotta be bold, bold and oh so strong,  
Get with this and you got it goin' on,  
On and on with the girls named Spice.

You wanna get with us then you'd better think twice,  
God help the mister, yeah God help the mister,  
That comes between me and my sisters,  
I'm not afraid of your love,  
I'm not afraid of your love,  
why can't you see I've had my share of that,  
You're what I want boy,

You know you got boy,  
You gotta want me,  
It's just what I need,  
I'm not that easy as a matter of fact,

There's no room for lovin' stop that push and shovin'  
yeah,  
Don't wanna know about that love thing,  
Give me what I'm needing you know what I'm dreaming  
of,  
Don't wanna know about that love thing,

Last Time Lover

Treat me right, all night,  
Makes me feel good, like you should

Listen up I gotta tell you,  
About the ins and outs and goings on,  
I wouldn't tell just anybody about the fox I'm chasing,  
He's resistant and persistent,  
it didn't stop me from homing in,  
'Cause I'm choosy not a floozy,  
I get my hit and then I run with it,

Last time lover,  
Do you think I'm really cool and sexy,  
and I know you want to get with me,  
Last time lover  
Do you wanna be my last time baby,  
could it be your first time maybe

We got up and down to it,  
like the dirty bass in the music,  
I got my major chords strummin',  
took some time and then we're really buzzin',  
First bite wet my appetite,  
second helping's always better,

Started getting burning hot,  
I found my pride not easy,  
slowed it down I said stop.

Last time lover,  
Do you think I'm really cool and sexy,  
and I know you want to get with me,  
Last time lover  
Do you wanna be my last time baby,  
could it be your first time maybe

Last time lover, treat me right,  
lovin' under cover, all night,  
Last time lover, make me feel good,  
lovin' under cover, like you should,  
Last time lover  
Last time lover, treat me right,  
lovin' under cover, all night.

Cool sexy, ever ready, someone fine, always steady,  
gentle hands, dirty  
mind,  
use your head and don't be blind,  
Words of love they don't wash with me,  
what's the rush no urgency you see,  
Crazy boy, potential lover, first and last lover brother  
there ain't no other,  
Crazy, sweet, cool but racy, steady ready go, yes!

Last time lover,  
Do you think I'm really cool and sexy,  
and I know you want to get with me,  
Last time lover  
Do you wanna be my last time baby,  
could it be your first time maybe  
Last time lover,  
(repeat verse)

Treat me right,  
lovin' under cover, all night,

Do you think I'm really cool and sexy,  
and I know you want to get with me,  
Last time lover, make me feel good,  
lovin' under cover like you should,

Do you wanna be my last time baby,  
could it be your first time maybe  
Last time lover, treat me right,  
lovin' under cover, all night,

Mama

She used to be my only enemy and never let me free,  
Catching me in places that I know I shouldn't be,  
Every other day I crossed the line,  
I didn't mean to be so bad,  
I never thought you would  
become the friend I never had.

Back then I didn't know why,  
why you were misunderstood,  
So now I see through your eyes,  
all that you did was love,  
Mama I love you, Mama I care,  
Mama I love you, Mama my friend,  
My friend

I didn't want to hear it then but  
I'm not ashamed to say it now,  
Every little thing you said and did was right for me,  
I had a lot of time to think about,  
about the way I used to be,  
Never had a sense of my responsibility.

Back then I didn't know why,  
why you were misunderstood,  
So now I see through your eyes,  
all that you did was love,  
Mama I love you, Mama I care,  
Mama I love you, Mama my friend, My friend

But now I'm sure I know why,  
why you were misunderstood,  
So now I see through your eyes,  
all I can give you is love,  
Mama I love you, Mama I care,  
Mama I love you, Mama my friend,  
My friend

Mama I love you, Mama I care,  
Mama I love you, Mama my friend,  
You're my friend

Who Do You Think You Are?

The race is on to get out of the bottom,  
The top is high so your roots are forgotten,  
Giving is good as long as you're getting,  
What's driving you it's ambition and betting,  
I said who do you think you are?  
(I said who)  
Some kind of superstar,  
You have got to swing it, shake it, move it, make it,  
who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are,  
Swing it, shake it, move it, make it,

who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are.

You're swelling out in the wrong direction,  
you've got the bug, superstar you've been bitten,  
Your trumpet's blowing for far too long,  
playing the snake of the ladder, but you're wrong

I said who do you think you are?  
(I said who)  
Some kind of superstar,  
You have got to swing it, shake it, move it, make it,  
who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are,  
Swing it, shake it, move it, make it,  
who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are.

You have got to reach on up, never lose your soul,  
You have got to reach on up, never lose control

I said who do you think you are?  
(I said who)  
Some kind of superstar,  
You have got to swing it, shake it, move it, make it,  
who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are,  
Swing it, shake it, move it, make it,  
who do you think you are?  
Trust it, use it, prove it, groove it,  
show me how good you are.

Swing it, shake it, move it, make it,  
(who do you think you are?)  
Trust it, use it, prove it, groove it  
show me how good you are,

Something Kinda Funny

We've got something kinda funny goin' on,  
We've got something kinda funny goin' on.

Wherever you're going, high or low  
, Remember to sure enjoy the show,  
So climb aboard my journey deep inside,

Better late than dead on time,  
Ooh, it's you I know I have got to feed,  
Ooh, don't take from me more than you really need,

More than you really need,

We've got something kinda funny goin' on,  
We've got something kinda funny goin' on.

Happiness is just a state of your mind,  
Keep searching who knows what you may find,  
Rules are for fools, and fool's paradise is hard to find,  
Play my game or get left behind,  
It's you I know that I have got to feed,  
Take from me what you feel that you need,  
You feel that you need.

We've got something kinda funny goin' on,  
We've got something kinda funny goin' on.

You've got it...  
You've got it...  
You've got it...

Feelin' kinda funny, when I'm with you honey,  
Feelin' kinda queezy I ain't that easy.  
We've got something kinda funny . . .

Naked

Naivety and childhood left behind deprived of the  
goodness of mankind,  
past encounters have made her strong, strong enough  
to carry on and on,

Undress you with her eyes, uncover the truth from the  
lies,  
Strip you down don't need to care, lights are low  
exposed and bare

Naked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide, no-one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only naked

She knows exactly what to do with men like you,  
Inside out in her mind there's no doubt where you're  
coming from  
mystery will turn you on.

Undress you with her eyes, uncover the truth from the  
lies,  
Strip you down don't need to care, lights are low  
exposed and bare  
Naked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide, no-one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only naked

Hello, its me  
I thought you'd understand  
Well maybe I should have kept my mouth shut  
I keep seeing such a pretty picture  
I'd rather be hated than pitied  
Maybe I should have left it to your imagination  
I just want to be me

This angel's dirty face is sore, holding on to what she  
had before.  
Not sharing secrets with any old fool, now she's gonna  
keep her cool,  
She wants to get naked  
She wants to get naked,  
Naked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide, no-one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only naked

If U Can't Dance

If you can't dance, if you can't dance.  
If you can't dance. if you can't dance  
If you can't dance to this you can't do nothing for me  
baby  
If you can't dance, if you can't dance  
If you can't dance. if you can't dance

If you can't dance to this you can't do nothing for me  
baby

Now we got the flavour, the bad behaviour,  
the rhythm the melody, the juice for you to savour,  
rockin' and vibing somebody is jivin',  
You need to take a tip, sort it out,  
Get a grip whenever I go out wherever it may be,  
There never is a Keanu but a dweeb lookin'at me  
but even if I did score he's a loser on the dance floor,  
Take a deep breath count 1 2 3.

Even when his eyes met mine  
his slamming shoes were out of time,  
Can't you just feel the groove  
why don't you move,  
it's easy can't you see,  
take my hand and dance with me

If you can't dance, if you can't dance.  
If you can't dance. if you can't dance  
If you can't dance to this you can't do nothing for me  
baby  
If you can't dance, if you can't dance.  
If you can't dance. if you can't dance  
If you can't dance to this you can't do nothing for me  
baby.

Hey macho  
Te vi el otro dia  
Me dio mucha, mucha alegria  
Eschucha la musica  
Ay, madre mia  
Hey chico, tu no tienes nada  
Que susto, que sueco, que polla, que tieso  
Oh, no me toques  
Ay, que pero, feo  
Venga, venga, marcha salida  
Toma esa musica, me canta deprisa  
Cuidado, cuidado, que chico, que loca,  
Toma mi ritmo  
Me voy contigo  
Hey macho te quiero  
Quiero un hombre, necesito, si pero no tu nombre  
Hey macho, Hey macho  
Si no bailas esto no puedes nada conmigo.
