No no no no, no no no no, no no no no,

Listen little child, there will come a day  
When you will be able, able to say  
Never mind the pain, or the aggravation  
You know there's a better way, for you and me to be

Look for a rainbow in every storm  
Fly like an angel, heaven sent to me

Goodbye my friend (I know you're gone, you said  
you're gone,  
but I can still feel you here)  
It's not the end (gotta keep it strong before the pain  
turns into fear)

So glad we made it, time will never change it - no no no

No no no no

Just a little girl, big imagination  
Never letting no-one take it away  
Went into the world, what a revelation  
She found there's a better way for you and me to be

Look for a rainbow in every storm  
Find out for certain, love's gonna be there for you  
You'll always be someone's baby

Goodbye my friend (I know you're gone, you said  
you're gone,  
but I can still feel you here)  
It's not the end (gotta keep it strong before the pain  
turns into fear)

So glad we made it, time will never change it  
No no no no  
You know it's time to say goodbye  
No no no no

(bridge)

The times when we would play about  
The way we used to scream and shout  
We never dreamt you'd go your own sweet way

Look for a rainbow in every storm  
Find out for certain love's gonna be there for you  
You'll always be someone's baby

Goodbye my friend (I know your gone, you said you're  
gone,  
but I can still feel you here)  
It's not the end (you gotta keep it strong before the  
pain turns into fear)

So glad we made it time will never never change it

No no no no  
you know it's time to say goodbye  
No no no no  
and don't forget you can rely

No no no no  
you know it's time to say goodbye  
No no no no  
and don't forget on me you can rely

No no no no  
I will help, help you on your way

No no no no  
I will be with you every day  
no no no no
