I wanna make you holler
Imagine us together
Don't be afraid to play my game

Boy don't you hesitate I won't keep waiting for you
To come and let me take
You to my fantasy room
You're gonna like it there
And all the things that I do
I'll treat you right all through the night

We can do anything
I'll take you all the places you wanna be
I'll be your fantasy
Everything you want you will find in me
If play me game

I wanna make you holler and hear you
Scream my name
I'll give you rules to follow
So you can play my game
Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

So what you gonna do, now that I gotcha with me
You gotta show me boy
'Cos nothing comes for free
Start from the bottom and work your way
Up slowly
Don't be afraid to play my game

We can go all night long
Doing thing you thought you would never do
I won't tell anyone
What we do it's just for me and you
So come and play my game

I wanna make you holler and hear you
Scream my name
I'll give you rules to follow
So you can play my game

Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

I wanna make you holler and hear you

Scream my name
I'll give you rules to follow
So you can play my game
Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

I wanna make you holler
I wanna make you holler
I wanna make you holler
I wanna make you holler

We can go all night long
Doing things you thought you would never do
I won't tell anyone
'Cos everything is just between me and you
But you gotta play my game

I wanna make you holler and hear you
Scream my name
I'll give you rules to follow
So you can play my game
Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

I wanna make you holler and hear you
Scream my name
I'll give you rules to follow
So you can play my game
Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

I wanna make you holler and hear you
Scream my name
I'll give you rules to follow
So you can play my game
Imagine us together me driving you insane
You will give in to me
Don't be afraid to play my game

I wanna make you holler
I'll give you rules to follow
Imagine us together
