Stay with me tonight
I'll fill you deep inside
And I'll give you something you need for

Just say you'll be with me
For eternity
Baby tell me how you feel
I just need to know

Is this love
Is it joy, is it pain, sunshine or is it rain
Is this love
Is it joy, is it pain
Is this love

Give to me your soul
And to lose your self control
And I take you, somewhere that you've never been

Play your feelings bare
And tell me that you care
Baby tell me what you need
I just need to know

Is this love
Is it joy, is it pain, sunshine or is it rain
Is this love

Is it joy, is it pain
Is this love

Touch me, hold me
Tell me your feelings, then believe

Is this love
Is it joy, is it pain, sunshine or is it rain
Is this love
Is it joy, is it pain, sunshine or is it rain
Is this love

Is this love
Is it joy, is it pain, sunshine or is it rain

Is this love
Is it joy, is it pain, sunshine or is it rain
Is this love

Know we're together, hold me forever
I'll show you the key to my heart
Is this love
Know we're together, hold me forever
Baby, lets make a start
Is this love
