Yes...

Well if I could stick my pen in my heart
I would spill it all over the stage
Would it satisfy, would it slide on by
Would you think the boy is strange?
Ain't he strange?

If I could win ya, if I could sing ya
A love song so divine
Would it be enough for your cheating heart
If I broke down and cried?
If I cried?

(spice girls...)
I said I know it's only rock and roll, but I like it
I said I know it's only rock and roll,
But I like it, I like it, yes I do
Oh well I like it
I like it
Said I like it
I like it
But you know I like it

Can't you see
This this old boy has been lonely

If I could stick a knife in my heart
Suicide right on the stage
Would it be enough for your teenage lust
Would it help to ease the pain?
Ease your brain?

If I could dig down deep in my heart

Well the feelings would flood on the page
Would it satisfy ya, would it slide on by ya,
Would you think the boy's insane?
He's insane

I said I know it's only rock and roll, but I like it
I said I know it's only rock and roll,
But I like it

I know it's only rock and roll, but I like it
Baby I like it
I said I know it's only rock and roll,
But I like it, like it, yes I do
I like it
I like it, yeah thats right
I like it (it's only rock n roll)

Can't you see
This this old boy has been lonely

Do you think that your the only girl around
I guess you think that your the only girl in town

I said I know it's only rock and roll, but I like it
I said I know it's only rock and roll,
But I like it, I like it, yes I do
But I like it,
I like it
I like it, like it, and thats a fact
We like it, we like it
