Naivety and childhood left behind
Deprived of the goodness of mankind
Past encounters have made her strong
Strong enough to carry on and on

Undress you with her eyes
Uncover the truth from the lies
Strip you down don't need to care
Lights are low exposed and bare

Naked
Nothing but a smile upon her face
(Naked)
She wants to play seek and hide, no-one to hide behind
(Naked)
This child has fallen from grace
(Naked)
Don't be afraid to stare, she is only naked
(Naked)

She knows exactly what to do with men like you
Inside out in her mind
There's no doubt where you're coming from
Mystery will turn you on

Undress you with her eyes
Uncover the truth from the lies
Strip you down don't need to care
Lights are low exposed and bare

Naked
Nothing but a smile upon her face
(Naked)
She wants to play seek and hide, no-one to hide behind
(Naked)
This child has fallen from grace
(Naked)
Don't be afraid to stare, she is only naked
(Naked)

Hello, it's me
I thought you'd understand

Well maybe I should have kept my mouth shut
I keep seeing such a pretty picture
I'd rather be hated than pitied
Maybe I should have left it to your imagination
I just want to be me

This Angel's dirty face is sore
Holdin' on to what she had before
Not sharing secrets with any old fool
And now she's gonna keep her cool

She wants to get naked with me
She wants to get naked

Naked
Nothing but a smile upon her face
(Naked)
She wants to play seek and hide, no-one to hide behind
(Naked)
This child has fallen from grace
(Naked)
Don't be afraid to stare, she is only naked
(Naked)

Nothing but a smile upon her face
(Naked)
She wants to play seek and hide, no-one to hide behind
(Naked)
This child has fallen from grace
(Naked)
Don't be afraid to stare, she is only naked
(Naked)

Nothing but a smile upon her face
(Naked)
She wants to play seek and hide, no-one to hide behind
(Naked)
This child has fallen from grace
(Naked)
