How does it feel to be on top of the world
Now it's for real, you're on top of the world
You're the top of the world

Looking like it's gonna happen
Knowing that the time is right
With pride on our side and passion
We've got the glory in our sights

In streets all over the nation (Ian & Simone)
Are goals we painted on the walls (Ian & Simone)
Where all our hopes and expectations
Are the world inside a ball (Ian & Simone)
Inside a ball (Ian & Simone)

So how does it feel to be on top of the world
Now it's for real, you're on top of the world
You're the top of the world

These are the ties that bind us (Ian & Simone)
Everyone is part of the team (Ian & Simone)
Leaving our worries behind us (Ian & Simone)
'Cause we're sharing the same dream (Ian & Simone)
It's time to dream (Ian & Simone)

It's time to dream
Goals are flying in we've made the news
'Cause we were born to win we can't lose
We can't lose

How does it feel to be on top of the world
Now it's for real, you're on top of the world
We're the top of the world

Looking like it's gonna happen (Ian & Tommy)
Knowing that the time is right (Ian & Tommy)
With pride on our side and passion (Ian & Tommy)
We've got the glory in our sights (Ian & Tommy)

In streets all over the nation (Ian & Mel C)
Are goals we painted on the walls (Ian & Mel C)

Where all our hopes and expectations (Ian & Mel C)
Are the world inside a ball (Ian & Mel C)
Inside a ball (Ian & Mel C)

So how does it feel to be on top of the world
Now it's for real, we're on top of the world
How does it feel to be on top of the world
Now it's for real, you're on top of the world

England
England forever
England
Love you forever
[Repeat to Fade]

Sung in Counterpart:
Top of the world
Top of the world
You're the top of the world
You're the top of the world
You're the top of the world
Top of the world
