"Stop Right Now"

Visit "[Stop Right Now](#)" on MotoLyrics.com

You just walk in, I make you smile It's cool but you don't
even know me
You take an inch, I run a mile Can't win you're always
right behind
me

And we know that you could go and find some other
Take or leave it or
just don't even bother Caught in a craze, it's just a faze
Or will this
be around forever

Don't you know it's going too fast Racing so heard you
know it won't
last Don't you know why can't you see Slow it down,
read the sign
So you know just where you're going

Stop right now thank you very much I need somebody
with a human
touch Hey you always on the run Gotta slow it down
baby, gotta
have some fun

Do do do do Do do do do Do do do always be together

Ba da ba ba Ba da ba ba Ba da ba stay that way forever

And we know that you can go and find some other Take
or leave it cos
we've always got each other You know who you are and
yes,
you're gonna breakdown You've crossed the line so
you're gonna
have to turnaround

Don't you know it's going too fast Racing so heard you
know it won't
last Don't you know why can't you see Slow it down,
read the sign
So you know just where you're going

Stop right now thank you very much I need somebody
with a human
touch Hey you always on the run Gotta slow it down
baby, gotta
have some fun

Gotta keep it down honey, lay your back on the line Cos
I don't care
about the money, don't be wasting my time You need
less speed,
get off my case You gotta slow it down baby, just get
out of my face

Stop right now thank you very much I need somebody
with a human
touch Hey you always on the run Gotta slow it down
baby, gotta
have some fun

Stop right now thank you very much I need somebody
with a human
touch Hey you always on the run Gotta slow it down
baby, gotta
have some fun

Stop right now Stop right now thank you very much We
wanna thank,
we wanna thank you I need somebody with a human
touch Stop
right now Hey you always on the run Thank you very
much, thank
you very much Gotta slow it down baby, gotta have
some fun
