Are you Strong Enough? Strong Enough? Strong  
Enough?  
She says  
Are you Strong Enough? Strong Enough? Strong  
Enough?

From an early age I was told what to do,  
but now I'm changing my ways, all right  
No one listen to a word that I said  
seems all work

Now you're out on your own,  
nothing to hide behind, you feel all a lone and scared  
Your a little girl, in a big and rough world  
Youve got your own way at last

Chorus:  
Are you Strong Enough? Strong Enough? Strong  
Enough? (to get by)  
Are you Strong Enough? Strong Enough? Strong  
Enough? (control your life)  
Are you Strong Enough? Strong Enough? Strong

Are you Strong Enough? Strong Enough? Strong  
Enough? (Strong Enough)

some understand is what the

Now you're out on your own,  
nothing to hide behind, you feel all a lone and scared  
Your a little girl, in a big and rough world  
Youve got your own way at last

Chorus X 2

People listen what we say  
Doesn't have to be this way

You can find your own way  
Time to open up your eyes  
Time is come to realise  
Are you Strong Enough?
