You just walk in I make you smile
It's cool but you don't even know me
You take an inch I run a mile
Can't win you're always right behind me.
And we know that you could go and find some other
Take or leave it or just don't even bother.
Caught in a craze it's just a phase
or will this be around forever.
Don't you know it's going to fast
Racing so hard you know it won't last.
Don't you know what can't you see,
Slow it sown, read the sign so you know just where
you're going.
Stop right now, thank you very much,
I need somebody with the human touch,
Hey you always on the run,
Gotta slow if down baby, gotta have some fun,
Do do ... always be together,
Ba da ... stay that way forever.
And we know that you could go and find some other,
Take or leave it 'cause we've always got each other.
You know who you are and yes, you're gonna
breakdown,
You're crossed the line so you're gonna have to turn
around.
Don't you know it's going to fast,
racing so hard you know it won't last,
Don't you know, what can't you see,
Slow it sown, read the sign so you know just where
you're going.
Stop right now, thank you very much,
I need somebody with the human touch,
Hey you always on the run,
Gotta slow it down baby, gotta have some fun.
Gotta keep it down honey, lay your back on the line
'Cause I don't care about the money,
Don't be wasting my time,
You need less speed, get off my case,
You gotta slow it down baby, just get out of my face.
Stop right now, thank you very much,
I need somebody with the human touch,

Hey you always on the run,
Gotta slow it down baby, gotta have some fun.
Stop right now, thank you very much,
I need somebody with the human touch,
Hey you always on the run,
Gotta slow it down baby, gotta have some fun.
Stop right now, (Stop right now) thank you very
much,(We wanna thank
you)
I need somebody with (wanna thank you) the human
touch, (Stop right
now)
Hey you always on the run,
Gotta (Thank you very much) slow it down baby, gotta
have some fun
(thank you very much).
