Can you truly love a woman?

W O M A N, W O M A N, W O M A N

Truly love a woman

Madly, deeply

No longer are we teenagers

No longer hanging round the corner

Playing games with other friends

Sometimes we all get outrageous

We can be dirty, can be crazy, can be flirty and cool

Truly, madly, deeply

Louder baby, louder baby

W O M A N, can you truly love a woman?

Louder baby, louder baby

W O M A N, can you be better than a woman?

The early years were a lesson

Now we know what's goin' on, this time we're strong in
our feets

And now we're industry players

We're wearing G-strings, taking meetings, feelin'
music to beats

Truly, madly, deeply

Louder baby, louder baby

W O M A N, can you truly love a woman?

Louder baby, louder baby

W O M A N, can you be better than a woman?

Madly, deeply, yeah

So happy now

(So happy)

Living' in a fantasy we just wanna be happy now

So happy now

Being every woman that we wanted to be, louder baby

W O M A N, can you truly love a woman?

louder baby, louder baby

W O M A N, can you be better than a woman?
Louder baby, louder baby

W O M A N, can you truly love a woman?
Louder baby, louder baby
W O M A N, can you be better than a woman?

W O M A N, can you truly love a woman?
Hey
W O M A N, can you be better than a woman?
Madly, deeply
W O M A N, can you truly love a woman?
Love a woman
W O M A N, can you be better than a woman?

W O M A N can you truly love a woman?
Louder baby, louder baby
W O M A N can you be better than a woman?

W O M A N
