I fell in love today  
Never thought I'd feel this way  
Been so tired of one-night stands  
Now I'm ready for a new romance

Ooo, it's a mystery, do you know  
I can't figure it out  
Ooo, it's a mystery, do you know  
What I'm talking about  
Do you love me?  
Do you want me?  
Maybe it's crazy, give it a chance  
I think I like this new romance

It was only yesterday  
That love felt so far away  
Then you smiled and asked me to dance  
Now I'm ready for a new romance

Ooo, it's a mystery, do you know  
I can't figure it out  
Ooo, it's a mystery, do you know  
What I'm talking about  
Do you love me?  
Do you want me?  
Maybe it's crazy, give it a chance  
I think I like this new romance

Ooo, it's a mystery, do you know  
I can't figure it out  
Ooo, it's a mystery, do you know  
What I'm talking about  
Do you love me?  
Do you want me?  
Maybe it's crazy, give it a chance  
I think I like this new romance

Do you love me? Do you want me?  
Do you love me? Do you want me?  
Do you love me? Do you want me?
