Wish I was too dead to cry  
The self affliction fades  
Stones to throw at my creator  
Masochist to which I cater

You don't need to bother  
I don't need to be  
I'll keep slipping farther  
But once I hold on I won't let go 'til it bleeds

Wish I was too dead to care  
If indeed I cared at all  
Never had a voice to protest  
So you fed me shit to digest

I wish I had a reason  
My flaws are open season  
For this I gave up trying  
One good turn deserves my dying

You don't need to bother  
I don't need to be  
I'll keep slipping farther  
But once I hold on I won't let go 'til it bleeds

Wish I died instead of lived  
The zombie hides my face  
Shelf forgotten with it's memories  
Diaries left with cryptic entries

You don't need to bother  
I don't need to be  
I'll keep slipping farther  
But once I hold on I won't let go 'til it bleeds

You don't need to bother  
I don't need to be  
I'll keep slipping farther  
But once I hold on I'll never look down my deceipts
