You tried so hard to be someone
That forgot who you are
You tried to fill some emptiness
Till all you had spilled over

Now everything's so far away
That you don't know where are
You are

When all that you wanted
When all that you had don't seem so much
For you to hold onto
For you to hold onto

For you to belong to

When it's hard to be yourself
It's not to be someone else

Still everything's so far away
That you forget where you are
You are

When all that you wanted
When all that you had don't seem so much
For you to hold onto
For you to hold onto

Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on

When all that you wanted
When all that you had don't seem so much
For you to hold onto
For you to hold onto
For you to hold onto

For you to belong to
