'Cause it takes two, there's no doubt about it,  
baby, I can not live without it,  
hang on and you'll see what deeper love can be  
'Cause it takes two, there's no doubt about it,  
baby, I can not live without it,  
hang on and you'll see what deeper love can be

You gotta get it right, that's nice  
c' mon and get it right, alright  
You gotta get it right, that's nice  
c'mon and get it right, alright

Sometimes it's gonna be like that, just say true that  
Sometimes it's gonna stay like that, just say true that  
It's like one on one, count on to four  
It's like fome when you come, so give me some mo'  
It's gonna be like that, just say true that  
Sometimes it's gonna stay like that, just say true that  
Sometimes it's gonna feel like this, it's gonna feel like  
that  
I'm running out of time, true that!

Chorus

Gotta get you gonna make you mine tonight,  
gotta get you looking through your eyes  
Gotta get you, gotta get you, deep love is on my mind  
Gotta get you gonna make you mine tonight,  
gotta get you looking through your eyes  
Gotta get you, gotta get you, deep love is on my mind  
Talking about that deeper love,  
don't you know that we need a deeper love, o-o-yeah,  
o-o-yeah  
Talking about that deeper love,  
don't you know that we need a deeper love, o-o-yeah,  
o-o-yeah

Sometimes it's gonna be like that, just say true that  
Sometimes it's gonna stay like that, just say true that  
It's like one on one, count on to four  
It's like fome when you come, so give me some mo'  
It's gonna be like that, just say true that

Sometimes it's gonna stay like that, just say true that  
Sometimes it's gonna feel like this, it's gonna feel like  
that  
I'm running out of time, so true that!
