If I make it seem my own, not yours, would you see
through me?
So full of apologies that I'm dragging on my knees.
We make a path, to take yourself, and grab a simple
life.
In a space of fear, I see myself, and laugh to be inside.

You bring me down to the obvious,
With your washed out eyes.
It's so drastic now, I've lost my void.
Somehow I'm stuck as your vice.
Why do you,

Make me suffer, everyday?
And I am worthless, in every way.

There was a time when I used to see the giant lie.
Crawling back from a place where you can have them
throw your face down.
We make a path, to take yourself, and grab a simple
life.
In a space of fear, I see myself, and laugh to be inside.

You bring me down to the obvious,
With your washed out eyes.
It's so drastic now, I've lost my void.
Somehow I'm stuck as your vice.
Why do you,

Make me suffer, everyday?

More from my head.
Wished I was made clean in my,
Perfect entrance.
Wished I could breathe.

Make me suffer, everyday?
And I am worthless, in every way.

You bring me down to the obvious,
With your washed out eyes.
It's so drastic now, I've lost my void.

Somehow I'm stuck as your vice.

You bring me down to the obvious,
With your washed out eyes.
It's so drastic now, I've lost my void.
Somehow I'm stuck as your vice.
Why do you,

Make me suffer,
Make me suffer,
Make me suffer,
Make me suffer,
Everyday?
