Time passes by  
And every day I brace for real dreams  
Don't wait for me  
If I'm still here, I must be crazy

If I didn't know you better  
I'd swear you like the sound of my spirit breaking  
If I didn't know you better  
I'd swear you want to beat me down

Don't you see  
You're nowhere to me  
Nowhere to me  
Nowhere to me  
You're nowhere to me

You are a careless thief  
Wanting more than you really deserve  
Go feast upon your deeds  
And when I laugh, it's because you have no clue

If I didn't know you better  
I'd swear you like the sound of my spirit breaking  
If I didn't know you better  
I'd swear you want to beat me down

Don't you see  
You're nowhere to me  
Nowhere to me  
Nowhere to me  
You're nowhere to me

You don't see me right  
And so it's simple like this  
And with your dead end  
I'll find my own cure

If I didn't know you better  
I'd swear you like the sound of my spirit breaking  
If I didn't know you better  
I'd swear you want to beat me down

No where to me  
You're nowhere to me  
Nowhere to me  
You're nowhere to me

Don't wait for me  
If I'm still here, I must be crazy
