And I am heated and I am slipping  
Perfect for your rescue  
And perfectly amazed  
I don't wanna be, wanna be as you hex me  
Only fit in your world one way  
I don't wanna be, wanna be as you hex me  
She sits judging me

I'm naked in your world  
Never be the same  
Picking up my soul  
You're drowning me with shame  
It's not my family  
An easy target for pain  
In breach lying beside you  
Here is my prime

And I am heated and I am slipping  
Perfect for your rescue  
And perfectly amazed  
I don't wanna be, wanna be as you hex me  
Only fit in your world one way  
I don't wanna be, wanna be as you hex me  
She sits judging me

I'm naked in your world  
Never be the same  
Picking up my soul  
You're drowning me with shame  
It's not my family  
An easy target for pain  
In breach lying beside you  
Here is my prime  
Here is my prime  
Here is my prime  
Here is my prime  
Here is my prime  
Here is my prime

I'm naked in your world  
Never be the same  
Picking up my soul

You're drowning me with shame  
It's not my family  
An easy target for pain  
In breach lying beside you

And I am heated  
And I am slipping  
And I am heated  
And I am here, in my prime  
Here is my prime  
Here is my prime  
Here is my prime  
Here is my prime  
Here is my prime

I'm naked in your world  
Never be the same  
Picking up my soul  
You're drowning me with shame  
It's not my family  
An easy target for pain  
In breach lying beside you
