Streams of self esteem  
Below belts over-heated again  
Look, look, look, look at you  
Child, easy like young skin  
Into the face of it  
You're quizzed on the rotten side  
Every slant in place  
Spill your guts, I spit in your face

Don't you see this is not how I'm gonna be?  
(Oh my god)  
I see it all if I'm pushed up against the wall  
(Oh my god)  
Don't you see this is not how I'm gonna be?  
I see it all if I'm pushed up against this wall

Age of idiots when you dare like this  
And how come you run  
When you know that I'm tied to the nerves  
On the edge of your fingers?  
Don't stop and make it linger  
Jump in the wrong place, wrong time  
Everybody thinks you're so sublime  
When you're sucking spikes  
And laying sideways again

Don't you see this is not how I'm gonna be?  
(Oh my god)  
I see it all if I'm pushed up against the wall  
(Oh my god)  
Don't you see this is not how I'm gonna be?  
I see it all if I'm pushed up against this wall

Don't you see this is not how I'm gonna be?  
Don't you see this is not how I'm gonna be?  
Don't you see this is not how I'm gonna be?

Good luck, good luck, good luck  
You're sucking spikes again  
Good luck, good luck, good luck  
You're sucking spikes again  
Good luck, good luck, good luck

You're sucking spikes again  
Good luck, good luck, good luck  
Don't you see me?

Nice try, but your lifetime is jaded  
Little shop of horrors  
Even steps outdated  
Wanna be a warped version of my sun  
Then let yourself in  
Common cause is a lack of air  
So don't you try and fight me now  
And you're mine and I'll just do it again

Don't you see this is not how I'm gonna be?  
(Oh my god)  
I see it all if I'm pushed up against the wall  
(Oh my god)  
Don't you see this is not how I'm gonna be?  
I see it all if I'm pushed up against this

Good luck, good luck, good luck  
You're sucking spikes again  
Good luck, good luck, good luck  
You're sucking spikes again  
Good luck, good luck, good luck  
You're sucking spikes again  
Good luck, good luck, good luck  
Don't you see me?
