Who's the most important man this country ever knew?  
Do you know what politician I have reference to?  
Well, it isn't Mr. Bryan, and it isn't Mr. Hughes.  
I've got a hunch that to that bunch I'm going to  
introduce:

(Again you're wrong and to this throng I'm going to  
Introduce:)

Barney Google, with the goo-goo-goo-ga-ly eyes.  
Barney Google bet his horse would win the prize.  
When the horses ran that day, Spark Plug ran the other  
way.  
Barney Google, with the goo-goo-goo-ga-ly eyes.

Barney Google, with the goo-goo-goo-ga-ly eyes.  
Barney Google had a wife three times his size  
She sued Barney for divorce  
Now he's living with his horse

Who's the greatest lover that this country ever knew?  
And who's the man that Valentino takes his hat off to?  
No, it isn't Douglas Fairbanks that the ladies rave  
about.  
When he arrives, who makes the wives chase all their  
husbands  
out?  
Why, it's Barney Google, with the goo-goo-goo-ga-ly  
eyes.  
Barney Google is the guy who never buys.  
Women take him out to dine, then he steals the waiter's  
dime.  
Barney Google, with the goo-goo-goo-ga-ly eyes.

Barney Google, with the goo-goo-goo-ga-ly eyes.  
Barney Google is the luckiest of guys.  
If he fell in to the mud, he'd come up with a diamond  
stud.  
Barney Google with the goo-goo-goo-ga-ly eyes.

Who's the greatest fire chief this country ever saw?  
Who's the man who loves to hear the blazing buildings  
roar?

Anytime the house is burning, and the flames leap all  
about,  
Say, tell me do, who goes, "kerchoo!" and puts the fire  
out?

Barney Google, with the goo-goo-goo-ga-ly eyes.  
Barney Google, thought his horse could win the prize.  
He got odds of ten to eight; Spark Plug came in three  
days late.  
Barney Google, with the goo-goo-goo-ga-ly eyes.

Barney Google, with the goo-goo-goo-ga-ly eyes.  
Barney Google tried to enter paradise.  
When Saint Peter saw his face, he said, "Go to the  
other place".  
Barney Google, with the goo-goo-goo-ga-ly eyes
