Well now bullshit an' onion gravy  
Pussy's gonna' drive me crazy  
Whiskey's gonna' get me through the night

Won't your daddy be surprised now  
When he sees your belly rise  
Footprints on the dashboard upsidedown

Yeah an' won't your mother be disgusted  
When she finds your cherry's busted  
Footprints on the dashboard upsidedown

An' won't your brother have a fit now  
When 'e finds out I'm pokin' on it  
Footprints on the dashboard upsidedown

Yeah an' won't the boys all love you more girl  
When they find out they can score a little  
Footprints on the dashboard upsidedown

Instrumental

Well now bullshit an' onion gravy  
Life has gone an' drove me crazy  
Cocaine gonna' get me through this night

Won't your daddy be surprised now  
When he sees your belly rise  
Footprints on the dashboard upsidedown

Yeah an' won't your mother be disgusted  
When she finds your cherry's busted  
Footprints on the dashboard upsidedown

An' won't your brother have a fit now  
When 'e finds out I'm pokin' on it  
Footprints on the dashboard upsidedown

Yeah an' won't the boys all love you more girl  
When they find you're just a whore  
Footprints on the dashboard upsidedown

Yeah an' won't your ass get a blister  
When I'm pokin' on your kid sister  
Footprints on the dashboard upsidedown
