

Spine Caroline's "Much Better"

Visit "[Much Better](#)" on MotoLyrics.com

I'll let you in on a little secret
I think you should know when I let you go,
I knew my friends would turn to foes
they said, "Don't give up, she's good people
stood by your side, nothing' to hide,
and gave you a sense of pride..."

But they won't get through to me
and I see much better now that your gone...

Here's another little secret they won't want to hear
I'm done with living in fear - feelign guilty for being
here
They said, "Realize you're only human, born with the
sin of man
it's all part of the plan - so repent or be damned!"

I'll let you in on a little secret
I think you all should know
I feel the tension grow
and I think its gonna blow
