I'm so sick of waking up  
To the same things every day  
I'm so sick of walking in circles  
And nothing is gonna change  
Love's the only part  
And every day means something new  
To ease my dreams  
Happiness is just so far

Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, follow me here  
Are you happy  
I'm so scared of growing up

I'm so sick of feeling bad  
About everything I do  
I'm so sad because I'm tired  
Oh will I make it through  
Love's the only part  
Still I have so far to go  
To be a man  
And that I always hoped I'd one day be  
Cause sometimes the world's not fair

Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, follow me here  
Are you happy  
I'm so scared of growing up

They say  
We're not gonna hide no more  
Just sometimes the world's not fair

Follow me here  
Follow me

Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, don't follow me here  
Are you happy  
Don't follow me here, follow me here  
Are you happy  
I'm so scared of growing up

I'm so scared of growing up
