Come On, Come On
How come everytime I see you
we end up in a fight
I don't why I wanna be with you
Youre resisting me with all your might
Yes, I dont know, what you want, from me

I used to be so special to you
Now I'm nothing at all
Never before in my life
Has my heart felt this small

Yes I don't know what you want from me
I've given you my heart, it's all I've got
Yea, baby

(repeat 6 x) I don't know to stay with you
cuz here I am
And there you aren't

There you aren't
Cuz I don't know, I don't know
I don't know, see I don't know
There you aren't
