I carry a curse  
I'm a blanket that you don't need  
I carry a pox, a plague  
And I know you'd rather freeze

It never gets easier to accept the truth  
It never gets easier to accept who I am

I can't conquer myself  
The south has won the war  
Slavery is ordinary  
And my master is a whore

It never gets easier to win this disgusting contest  
It never gets easier to win this crooked competition

Dim the lights for me  
We don't know the difference between  
Miserable and ugly  
Beautiful and happy  
Dim the lights for me

(Oh oh oh oh oh)

Dim the lights for me  
We don't know the difference between  
Miserable and ugly  
Beautiful and happy  
Dim the lights for me

One last thought:  
I'm in a box that I built  
There is no lock  
Still there's no way out
