Caught lust tie a noose around my neck
It's the unexplained that gets you when you obsess
I believed saying the truth would change the way that I
felt
Lying to God ain't easy, when you're already in debt

So long my friend
We'll never meet again
I tried so hard to stay
It's too late for me

If all the love in this world isn't enough
Where do you go? Who do you trust?
I find myself wrapped in the arms of emptiness
I can't stop running away, can't find a place to exist

So long my friend
We'll never meet again
I tried so hard to stay
It's too late for me
